LB 533

CLERK: The next amendment Mr. President is offered by Senator Maxey and it may be that she wishes to withdraw that amendment. Is that correct? Senator Maxey asks to withdraw that.

The next amendment then Mr. President is offered by Senator Kelly it is found on page 1613 of the Legislative Journal.

PRESIDENT: Senator Ralph Kelly.

SENATOR KELLY: I've got to know which one it is Mr. President. Now, I've got it. Mr. President, colleagues, this amendment to LB 533 is to have Kearney State College be the reception point for the recording of astronomical phenomena known as UFO's so that we would have a record and a reporting point for the sheriff's and the state patrol and that these will be recorded and a record sent on in to the national unit, the price tag is \$2,400, in lieu of the current publicity that UFO's are receiving I urge your adoption of this amendment.

PRESIDENT: Senator Maresh.

SENATOR MARESH: Mr. President, members of the Legislature. A question of Senator Kelly. Senator Kelly, would this include also a reporting service, say like a WATS line that people could call in?

SENATOR KELLY: Not for \$2,400, it won't. The people will have to pay for the call.

SENATOR MARESH: Okay, thank you.

PRESIDENT: Senator Cope.

SENATOR COPE: Mr. President, members. It is difficult for me to vote against or talk against anything that isn't good for Kearney State College. But, I must say that this was very, very low on the priorities. It didn't come through the usual process. I just want you to know it. It is a good thing, there is nothing wrong with it, but there are a lot of other things that I think Kearney State needs a lot worse.

PRESIDENT: Senator Clark.

SENATOR CLARK: I would like to ask Senator Kelly a question if possible.

PRESIDENT: Could we have more order on the floor please. I think that I heard everything Senator Cope said, but I couldn't understand you Senator Clark. What did you say?

SENATOR CLARK: I would like to ask Senator Kelly a question, please.

PRESIDENT: Senator Kelly, Senator Clark wants to ask you a question.

SENATOR KELLY: Yes sir.

SENATOR CLARK: Senator Kelly, why would we report this to Kearney State College instead of the State Patrol for instance? The Nebraska State Patrol of course has units all across the state.
